

THE BLUE BREEZE SOFTLY BLOWS,
CARESSING YOUR SKIN AS YOU BROWN
IN THE SUN. PALMS RUSTLE PLEASANTLY,
AND THE BIG GREEN LEAVES OF THE
BANANA TREES SWAY BACK AND FORTH.
A REFRESHING THOUGHT IS ALL YOURS TO
SAVOUR AS YOU EASE INTO YOUR COOL,
ISLAND DRINK. AFTER A TIME, A SUN-
KISSED STRANGER APPEARS, STROLLING
BAREFOOT ON THE BEACH. AS YOU
LOWER YOUR SUNGLASSES FOR A CLOSER
LOOK, THEY TURN AND FLASH A SMILE
YOUR WAY. YOU WAVE BACK WITHOUT
KNOWING WHY... AND IT FEELS LIKE
SOMETHING GOOD COULD HAPPEN.
WELCOME TO THE BLUE BREEZE INN.

LEI, LEI DE,
LEI \$15 OUR SEASONAL
FRUIT DAIQUIRI

Lei, lei de, lei, lay across my big brass bed. Whatever colours you have in your mind, I'll show them to you and you'll see them shine.
- 1969 Bob Dylan (sipping a daiquiri)

AUX GRANDS MAUX LES GRANDS REMÈDES

THE BLUE BREEZE NEGRONI \$ Like your classic Negronis? We'll you're gonna go apeshit when you taste this. Because instead of Gin, we use El Dorado five year old rum, and we age that delicious, boozy rum in our own bourbon barrel for a month. Look for the vapour trails as it boldly sails out from the bar. Not today, gin, not today...

DOCTOR POLYNESIA VICE \$ Mouth watering, rich, sweet and fruity Mt Gay Extra Old rum, bathed in sugarcane juice, finished with plum syrup, then misted with coffee perfume.

CONCOCTIONS

SAMOAN SUNBLOCK \$18
There are many urban myths about why Samoans don't burn in the sun, but here's the truth. Before leaving the house, they apply Mt Gay XO rum and Herradura Tequila with a top coat of Pedro Ximenez and lashing of fresh lime and pineapple juice.

MAI TAI a la BBI \$17
Carrie took one sip and said, "Mai tai, roa ae", which in Tahitian means "Out of this world - the best". Well that was that. I named the drink "Mai Tai". -1944 Trader Vic on the creation of the original Mai Tai. Mt Gay rum, Orange Curacao, home-made grenadine, fresh pineapple and bitters.

BERMUDA SOUR \$17
Sour by name but happy by nature, our Bermuda Sours mixes the zing of Limoncello and fresh lime with the creamy butterscotch and vanilla pudding flavours of Gosling's Black Seal rum. It's your Nan's lemon meringue pie in a martini glass with a big slug o' grog in it.

PREPARATIONS

MR LAVA LAVA \$17
Mount Gay Eclipse rum jived up with Java coffee beans to put some pep in your step, married with rich chocolate and a shot of espresso. You'll keep up with the jungle drums on this one.

GINGER HONI \$18
Catch a wink from a playful stranger, pour it into a glass - and you're looking at a Ginger Honi. Lashings of Gosling's famously luscious rum, freshly squeezed lime and our house-made ginger beer create an effervescent cocktail fizzing with honeyed sparkle.

PELE'S PASSION \$17
Dancing with a fire Goddess tonight? Or perhaps you are a fire Goddess? Either way, when it comes time to cool down, douse yourself with this cooling elixir of yellow Pallini Limoncello, freshly squeezed orange, and a refreshing, herbaceous touch of Campari.

LADY LYCHEE \$17
When fresh lemon meets our chilled Butterfly tea, the tea's dark, blueberry purple suddenly blushes a neon pink. Topped up with bubbles and lychee liqueur, this frosty, effervescent cocktail tastes of cut lemon and juicy tropical nights. Gorgeous, quenching colour alchemy.

TOO LONG A LOVER SERVES TWO \$30

We delicately hack open a fresh, baby coconut, add coconut-infused rum and hand-smashed pineapple, then top things off with a rocket-red cherry. A story of one coconut with two lovers...

IN THE BEGINNING THERE WAS WATER, AND IT WAS GOOD. THEN THERE WAS TEA, AND IT WAS GREAT. ACCORDING TO LEGEND, TEA WAS INVENTED IN CHINA IN 2737B.C. - BY ACCIDENT. EMPEROR SHEN NONG'S SERVANTS WERE BOILING WATER FOR HIS DAILY CUP OF "HOT WATER" WHEN SOME DRIED LEAVES FROM A CAMELLIA TREE FELL INTO THE POT. THE RESULTING BREW GAVE HIM A BUZZ, AND BROUGHT VIGOUR TO HIS BODY. THUS, TEA WAS INVENTED.

A velvety bodied tea with the perfume of moonlit nights on the Orient.

LONGJING (DRAGON WELL)

DA GU YUN ESTATE LOOSE LEAF GREEN TEA

Longjing (Lung Ching) means "Dragon Well", a tea named after an old well located outside of Hangzhou in Zhejiang province in China, where the tea was originally grown. Cultivated at high elevation, the beautiful, slender, bright green leaves come in sets of two, with a bud joining them at the stem. This tea is bright green in colour, with a sweet aroma and inviting, savoury taste.
