AS THE BLUE BREEZE SOFTLY BLOWS,
A SUN-KISSED STRANGER APPEARS,
STROLLING BAREFOOT ON THE BEACH.
YOU LOWER YOUR SUNGLASSES FOR A
CLOSER LOOK. THEY TURN AND FLASH A
SMILE YOUR WAY. YOU FIND YOURSELF
WAVING BACK, WITHOUT KNOWING
WHY... AND IT FEELS LIKE SOMETHING
GOOD COULD HAPPEN. WELCOME TO
THE BLUE BREEZE INN.

TOO LONG A LOVER

A story of one coconut with two lovers...

RUM JUNGLE POTIONS

DAIQUIRI OF THE DAY

\$17

LEI LEI DE LEI

Ask us for today's daiquiri flavour bomb - and get ready for a Bob Dylan song you can drink. "Whatever colours you have in your mind, I'll show them to you and you'll see them shine"
- 1969 Bob Dylan, while he tripped out on a daiquiri.

GRAND REMEDIES

\$18

BBI NEGRONI (*rum, Campari, sweet vermouth*)

Aged in our very own bourbon barrel, and made with Eldorado five-year-old rum instead of gin. Look for the vapour trails as this Star Anise and Orange perfumed wonder boldly sails out from the bar. Not today, gin, not today...

PONSONBY PEARL DIVE (*rum, cachaça, lychee, pineapple, lemon*)

The idea dates back to 1711 when milk was first used to clarify a booze-laden concoction in the Scottish Isles. Lychee, Mt Gay rum, Sagatiba Cachaça, and pineapple delivers soft, supple luxury in a glass, perfumed with mace and lemon. Have you ever deep-sea dived for pearls?

PREPARATIONS

\$18

LITTLE LULU (*prosecco, vodka, pineapple*)

She's walking towards you, a blazing sun-setting in the background and... actually scratch that 'cause this drink is hot on its own... Kafir lime leaf infused, pineapple and chardonnay shrub mixed with vodka (hello) and belted up with super sparkling Prosecco. Cheers!

BERMUDA SOUR (*rum, limoncello, fresh lemon*)

Cruise to the Bermudas with us - but will you return the same? Gosling's Black Seal rum takes on the search for Pallini Limoncello in this sour slash lover's quarrel on the high seas. (contains egg white)

BIG LAY LAY (*rum, guava, nutmeg, galangal, mint*)

It's like Donald Glover singing to Rhianna on Guava island - simple. Bacardi Carta Blanca, guava juice, galangal and mint spiced up with palm sugar and nutmeg.

SANDY SMUGGLER (*Tequila, sherry, pineapple, fresh lemon*)

After a hard day of smuggling sand in your bathing suit you need a beverage as cool as you are hot. Mt. Gay XO rum, Herradura Blanco Tequila with the rich finish of Pedro Ximénez and pineapple, served tall, frothy and refreshing.

PELES PASSION (*Campari, Aperol, limoncello, fresh orange*)

Sitting opposite a fire Goddess tonight? Or perhaps you are a fire Goddess? Either way, if things are overheating it's time to slip into the cool shade of this quenching elixir of yellow Pallini Limoncello, rhubarb's favourite friend Aperol, bitter Campari and freshly squeezed orange.

MAI TAI A LA BBI (*orange Curacao, rum, grenadine, pineapple*)

Close your eyes, take a sip - and let the ultimate in kitsch cocktails transport you to a tropical island fantasy. Mt. Gay rum, orange Curacao, home-made grenadine, fresh pineapple and bitters. See you by the pool...

MR LAVA LAVA (*espresso, rum, chocolate*)

Mt Gay Rum jived up with Java coffee beans to put some pep in your step, married with rich chocolate and a shot of espresso. You'll keep up with the jungle drums on this one.

GINGER HONI (*rum, ginger, fresh lime, honey*)

Catch a wink from a playful stranger, pour it into a glass - and you're looking at a Ginger Honi. Lashings of Gosling's famously luscious rum, freshly squeezed lime and our house-made ginger beer create an effervescent cocktail fizzing with honeyed sparkle.

IN THE BEGINNING THERE WAS WATER, AND IT WAS GOOD. THEN THERE WAS TEA, AND IT WAS GREAT. ACCORDING TO LEGEND, TEA WAS INVENTED IN CHINA IN 2737B.C. - BY ACCIDENT. EMPEROR SHEN NONG'S SERVANTS WERE BOILING WATER FOR HIS DAILY CUP OF "HOT WATER" WHEN SOME DRIED LEAVES FROM A CAMELLIA TREE FELL INTO THE POT. THE RESULTING BREW GAVE HIM A BUZZ, AND BROUGHT VIGOUR TO HIS BODY. THUS, TEA WAS INVENTED.
